### Another Sale of "Mendels'-Make" Wrappers.

This Time the Factory "Seconds" of Qualities Sold Regularly at \$2.00 and \$2.50, Tomorrow at ———— **79c**

Our recent sale of the celebrated "Mendels'-make" Wrappers is still fresh in the minds of Washington women. That sale brought us new laurels and established a great record in Wrapper selling.

Now comes the second sale—equally as important from the standpoint of unusual values, splendid assortments and fine styles. This time it is the factory "seconds" of these famous garments, which are offered at savings of less than one-half and two-thirds.

The word "seconds" when applied to such splendid garments as those which bear the "Mendels' make" trademark means nothing more serious than a tiny oil spot dropped from the machinery, an uneven hem and other imperfections—so trivial as to almost escape notice. Certainly the faults are not great enough to hurt the serviceability of the garments in the least.

The lot consists entirely of Percale Wrappers—and the very finest grade Percale money can buy. In light and dark shades—including grays, black and white, blue and white, cadet and red.

They are the sensible tailor-made styles, which can be washed with least trouble—no laces or other trimmings to tear or ravel out.

with a wide flounce, and have a stitched tailored fold of material. In the lot are several dozen two-piece House Suits and Nurses' Dresses. ALL SIZES IN THE LOT UP TO 44. Tomorrow we offer these regular \$2.00 and \$2.50 qualities for 79c.
